Tydskrifte in DOMUS • Periodicals in DOMUS

Hierdie is 'n lys tydskrifte en nuusbriewe (alfabeties volgens titel) deur verskeie skenkers. Dit bestaan uit drie reekse, nl: Suid-Afrikaanse tydskrifte, Ander tydskrifte en Nie Suid-Afrikaanse tydskrifte. Ander tydskrifte in hierdie versameling sluit in tydskrifte of nuusbriewe uit ander lande wat verband hou met Suid-Afrika (Suid-Afrikaanse musici, instellings en versamelings). Nie Suid-Afrikaanse tydskrifte bevat nie noodwendig Suid-Afrikaanse inhoud nie en word in uitsonderlike gevalle in hierdie versameling opgeneem, soos in hierdie verband met 'n feitlik volledige stel van *Etude*.

This is a list of periodicals and newsletters (alphabetically according to title) by various donors. It consists of three series: South African periodicals, Other periodicals and Non-South African periodicals. Other periodicals include periodicals and newsletters from other countries that contain information related to South Africa (South African musicians, institutions and collections). Non-South African periodicals do not necessarily contain information on South Africa, and are kept in rare cases such as found in this case where an almost complete set of 'Etude' exists.
